

LNWW PACKET - AM

MONOLOGUE JOKES

President Trump made fun of Amazon CEO Jeff Bezos on Twitter by calling him Jeff Bozo. Look for him to go after all the other tech leaders - Tim Cuck (*Tim Cook*), Bill Gates (*Bill Gates*), and Hack More-pee (*Jack Dorsey*).

Anthony Scaramucci is on Celebrity Big Brother, which I'm being told is some sort of "Big Brothers, Big Sisters" foundation for people that the general public don't give a crap about.

Chris Christie's newest book says Donald Trump is surrounded by "amateurs, grifters, weaklings, and felons". Great, Donald Trump has turned the White House into one of his hotels.

The government shutdown is in its third week with no sign of slowing down. Federal workers everywhere are going to work without a paycheck, including some at the White House. Man, he really is turning that place into one of his hotels!

Chris Hanson from Dateline's To Catch a Predator was arrested recently and you know what they say, "You either die a hero or live long enough to see yourself become the villain".

Jason Momoa has discovered The Rock's secret ingredient for carrying franchises on his back - have a giant back.

After media resurfaced showing Mick Mulvaney calling President Trump "a terrible human being" this week, sources say that others close to the President have called him "even worse". Yeah, try daddy. (*Image shows on screen of the Trump children, including Tiffany*) I'm sorry, that picture is zoomed in, can we zoom out a bit more? (*Pic zooms out, includes Trump's staff, Stormy Daniels, Karen McDougal, Rudy Giuliani, Chris Christie, kicks out Tiffany*) There we go, much better.

After watching "Tidying Up with Marie Kondo" on Netflix viewers are selling their things in order to live a more simplistic lifestyle. And then they'll Instagram it on the mini-computer in their pocket.

Maroon 5 will be headlining the Super Bowl halftime show in Atlanta. That's right, from the geniuses who brought you Coldplay and Beyonce, get ready for Maroon 5 in the birthplace of modern rap.

Steve Carell is returning to TV in a show for Netflix called "Space Force", a comedy about Trump's idea for the 6th branch of Federal Government. That's yet another role that Chris Christie lost out on.

Carell's return to television will disappoint fans of the hit show "The Office" who would rather see him come back for a revival. But his show is a "workplace comedy" about "the space force". That can't be that different from The Office. That's like Captain America retiring from being a superhero and joining the army.

Lots of people are upset after Gillette aired an ad about toxic masculinity that they thought were "too PC" and are throwing their Gillette razors away. It's a new kind of protest called "wasting your own money."

An Eagles fan was accused of attacking his girlfriend and putting their dog in the microwave after their recent loss. He was apprehended outside, where he was waiting for a hot dog to poop.

A New York Times article said that the biggest roadblock to your productivity is your smartphone and even suggested that you hide it so that you can get more work done. The article was praised by parents everywhere and panned by WAIT (*pulls out phone*) you guys, I think Beyonce just posted a new photo!! What were we talking about?

Theresa May survived a vote of no confidence in the British Parliament, 325-306. That's right, almost half of the people she works with said that they have no confidence in her. So at least we have that in common.

Netflix has asked viewers to stop trying the #BirdBoxChallenge, where people blindfold themselves on camera while doing everyday tasks trying to go viral. Some people don't even use a blindfold (*picture of Trump*).

Notorious drug kingpin El Chapo apparently bribed the former President of Mexico by paying him \$100 million dollars in 2012. It got awkward when El Chapo slid the President a 20 dollar bill over the bar 5 million times.

Facebook reportedly spends 7.3 million dollars a year on private security for CEO Mark Zuckerberg, or as he calls them, "friends".

Yahoo says that the key to a happier family life is a tidier home. "It's true," says everyone who has ever stepped on a Lego.

A church is under fire for a controversial sign they posted that read "Bruce Jenner is still a man, homosexuality is still a sin, the culture may change but the Bible does not". That's right, the book with an Old *and* a New Testament never changes.

DESK BITS**PREVIOUSLY TITLED**

Previous names of movies throughout the development process.

USERS ALSO BOUGHT

Showing a popular item and what other people buy in addition to that item.

"You know how when you buy something online, there's a part of your screen that shows you what people also buy? Let's look at some strange product combinations in "Users also bought"

SIGNS THE WORLD IS ENDING

Matching one real-world doomsday scenario to a funny news headline. These would ideally be played out with graphic/on-screen support.

"A lot of climate scientists like to say that life on earth will change drastically over the next couple years because of catastrophic climate events, with some experts saying that the world would "end". However we here at the show knew that the world was ending, we just have different reasons than these climate experts. I'll show you what we mean in a segment called "Signs the world is ending".

One sign the world is ending - The average surface temperature has risen 1.62 degrees since the 19th century.
Another sign the world is ending - Donald Trump went three days without a typo in any of his tweets.

One sign the world is ending - The rate of ice mass loss on Antarctica tripled this past decade, moving up to 119 tons of ice lost per year.
Another sign the world is ending - Your nosy coworker Brenda got promoted over you.

One reason the world is ending - Not only was 2018 the warmest year on record, but eight of the 12 months that make up the year were the warmest on record for those respective months.
Another sign the world is ending - Your dad said he was proud of you.

Topical sketch - Unintentionally Racist Photographer

The door opens to reveal DINESH, walking in for his headshots. Dinesh is a laid-back kid, but definitely nervous. This is his first photoshoot.

PHOTOGRAPHER

Welcome, Dinesh! How are you?

Our PHOTOGRAPHER is revealed. It's like she's perpetually on Valium. No filter. Ever. She's very friendly, and always means well. And by that, I mean she's oblivious.

DINESH

I'm good, good! Excited to get these headshots done finally, I really needed an update.

PHOTOGRAPHER

Well no problem, I take care of that for you.

DINESH

Yeah, you came very highly recommended. I was very impressed.

PHOTOGRAPHER

So tell me about yourself, Dinesh. Is it okay if I call you that?

Dinesh thinks for a second, confused.

DINESH

Yeah, what else would you call me?

PHOTOGRAPHER

I didn't know if you had a nickname like Din-Din or something.

Dinesh's eyes go wide. Wow. Din-Din?

DINESH

Nope, just Dinesh. I'm an actor and a stand-up comedian.

PHOTOGRAPHER

Shut up, a comedian? I knew it, you have such a great face for comedy. You remind me of that one guy from Netflix. What's his name?

DINESH

Hasan Minhaj?

PHOTOGRAPHER

Yes! Hasan Minhaj! Man his TV show is great. Who knew someone that small could be so funny!

DINESH

Oh, you're thinking of Aziz Ansari.

PHOTOGRAPHER

Is that his name? Oh, I always mix those two up. And who's that other guy? From Big Bang Theory?

DINESH

Kunal N-

PHOTOGRAPHER

Yeah he's just great. I'm sure you're wayyy funnier than him though. You're cuter than him too.

DINESH

Aw, thanks.

PHOTOGRAPHER

It's true! Now let's take these photos. I want you to stand right there on that piece of tape and pose for me. Just act natural.

Dinesh poses for the camera. It's very awkward, but our photographer does not notice at all.

PHOTOGRAPHER (CONT'D)

Great, great. Good stuff. Now give me some smiles, show me those pearly whites!

Dinesh awkwardly tries to smile for the camera. The photographer loves it.

PHOTOGRAPHER (CONT'D)

Perrrrfect. Now I want you to give me a really great smile, like you're an innocent...IT guy.

Dinesh appears confused. Our photographer laughs it off, it was a silly mistake.

PHOTOGRAPHER (CONT'D)

Oh, you know what I mean! That's just the role that you'll get booked for.

(MORE)

PHOTOGRAPHER (CONT'D)
It sucks, but every casting
director in town is looking for a
type.

DINESH
I guess you're right.

PHOTOGRAPHER
Great, great. Now let's shift gears
here a bit. Give me some serious
looks. Serve me some face!

Dinesh gives intense looks and poses to the camera. They look
neither intense nor serious but again, our photographer
doesn't seem to care.

PHOTOGRAPHER (CONT'D)
Yes, yes, give me that sexy
smolder. Now I want you to give me
a look like you're a really
serious...terrorist.

Dinesh drops his pose and looks at her quizzically. The
photographer chuckles to herself.

PHOTOGRAPHER (CONT'D)
Oh, there I go again, silly me. You
know what I meant though! Terrorist
is a very 'in' role these days.
It's all they're casting!

DINESH
Ugh, fine.

PHOTOGRAPHER
Now, you said you're a comedian,
right? Let's do some funny poses.

Dinesh does some funny poses - Karate kick, the LeBron,
posing with a mic in his hand, the people's eyebrow.

PHOTOGRAPHER (CONT'D)
Great, great. All good stuff. Now,
I want you to give me a look like
you're a really hilarious...IT Guy.

Dinesh throws his arms up.

DINESH
Really?

PHOTOGRAPHER
You know what I mean!

Dinesh is indignant.

DINESH

No, I really don't think I do. What does a hilarious IT Guy look like?

PHOTOGRAPHER

He's the guy that's always at the water cooler, telling really funny stories...

DINESH

Okay...

PHOTOGRAPHER

To everyone else in the call center!

Dinesh has had enough, he is not going to put up with this.

DINESH

You know what, I don't need this. There are definitely more roles than "Terrorist" and "IT Guy" for people like me. I have range!

PHOTOGRAPHER

You know what, you're right. You're exactly right, and I apologize. I should see you for more than your skin color, and so should every casting director.

Dinesh relents.

DINESH

Thank you, that means a lot, coming from you.

PHOTOGRAPHER

Of course, now how about we finish this session, huh? I'll cover the whole thing for free as a sorry.

Free session? Dinesh changes his mind. He can put up with free.

DINESH

You'd really do that? That's awesome. I'd love to finish the session.

PHOTOGRAPHER

Great, now let's take some more dramatic pictures, shall we? Give me something epic, like you've just blown yourself up and you're arriving at Muhammad's house, ready for your 72 virgins?

Never mind.

DINESH

Ok fuck off I'm out.

Character sketch - MR. LUNDEGAARD

3 Students - Jack, Andrea, and Mason sit down at their desks.

JACK

I can't wait for class today.

MASON

Same, last week's lecture was incredible.

ANDREA

Really? I haven't heard anything about him, I just transferred into this class.

JACK

Yeah he's so brilliant that you never see his answers coming.

ANDREA

His answers? Don't you mean his questions?

MASON

Exactly.

Just then-

MR. LUNDEGAARD

Hello class!

The whole class stands up except for Andrea. MR. LUNDEGAARD strides into the classroom, appearing as if out of thin air. He moves gracefully to the center of the classroom.

CLASS (IN UNISON)

Hello Mr. Lundegaard!

Mr. Lundegaard smiles to the class. He speaks in gentle tones.

MR. LUNDEGAARD

That was a wonderful hello. Thank you. You may sit down now.

The class sits.

MR. LUNDEGAARD (CONT'D)

Now, let's continue from last week. This week, we will be talking about...

His voice trails off, and his eyebrows heighten.

ANDREA

I don't think this guy is as smart
as you guys think he is.

Mr. Lundegaard is now straddling the globe in the corner of
the classroom. He spins it.

MR. LUNDEGAARD

Now, a lot of people think that
Shakespeare was born in England.
But of course we all know where he
was actually born, right class?

CLASS (IN UNISON)

Spain, Mr. Lundegaard!

Andrea looks at Mason and Jack.

ANDREA

Guys, that's not right.

MASON

Of course it's right!

JACK

Mr. Lundegaard went to
Shakespeare's house in Spain so he
knows.

MR. LUNDEGAARD

But he moved to England when he was
12 after being banished for...

The voice trails. The eyebrow heightens.

JACK

A mind too brilliant for his
peers?

MASON

Beautiful prose beyond his
years?

MR. LUNDEGAARD

-Grand Larceny!

Andrea has had enough. She stands up.

ANDREA

Okay, Mr. Lundegaard that's enough.
There's no way that any of this is
true.

MR. LUNDEGAARD

Really? And what's your name,
Miss...

The voice. Those eyebrows.

ANDREA

ANDREA! My name is Andrea!

Mr. Lundegaard is shocked.

MR. LUNDEGAARD

How dare you, I am your teacher!

ANDREA

All you do is let people finish your sentences so you make them feel smart and then you feed them some crap that makes them feel dumb again.

JACK

Hey!

MASON

That's not true!

MR. LUNDEGAARD

Darling Amberlina-

ANDREA

Andrea.

MR. LUNDEGAARD

You are a young and innocent little child. Don't be silly, you remind me of something we used to say when I was a child...

JACK

The early bird gets the worm?

MASON

I like my men thicc like Thanos?

MR. LUNDEGAARD

-There's only one loser in this situation and it ain't gonna be me bitch, so get walking.

Andrea and Mr. Lundegaard look at each other. Hate burns in Andrea's eyes. Mr. Lundegaard smirks as Andrea picks up her backpack and leaves the classroom.

MR. LUNDEGAARD (CONT'D)

Now, where were we class? Oh right. Shakespeare...
